Descripción

Ideal for archiving high data volumes, the Epson Discproducer PP-50BD delivers high-quality Blu-ray/DVD/CD output at low cost.

As Blu-ray is an inexpensive yet dependable format for long-term data storage, the PP-50BD is perfect for archiving large files and backing-up data. The fully-automated PP-50BD allows you to work on other tasks while it produces up to 50 discs and more than 2TB of data in one batch, and can burn up to three single-layer Blu-ray discs in an hour.

High-quality output

The PP-50BD delivers high-quality, photo-realistic printing on the CD/DVD/BD surface. Epson's Micro Piezo printhead and 6-colour inks produce ultra-fine colour gradations and razor-sharp text, even in very small font sizes.

Low cost per finished disc

Thanks to Epson's individual inks system, the cost of each produced media is low as you only need to replace the colour used. Depending on the print image, you can produce over 1,000 fully-covered discs from one set of cartridges.

Dependable operation

Epson has drawn on its expertise in manufacturing robots to develop the patented AcuGrip robotic arm, which ensures that only one CD/DVD/BD is grabbed at a time – even if they're stuck together. This allows you to leave production runs unsupervised. To ensure trouble-free operation for years to come, the PP-50BD has a dust-proof body and minimal moving parts.

Simple to use

The PP-50BD couldn't be easier to use – it's conveniently controlled from the front, and its LED system shows the ink level status for each

individual colour. The included software is user-friendly too, with pre-defined templates and images, so you don't need to be an expert to use it.

Easy installation

One of the smallest disc publishing solutions on the market, the fully-stackable PP-50BD has a compact footprint and measures only 38cm wide to fit easily onto a shelf or desktop.

- [Key Features:](#)

Key Features:

- High-quality output: Dependable archiving
- >1000 media per ink set: Low printing cost and accurate unattended production ensured
- All-in-one closed box: Burn, print, publish dustproof and secured
- AcuGrip™ BD robot arm: Ensures extremely reliable pick and move of BD media
- Amazing print quality: Six cartridge single ink system for impressive high class printouts
- Accurate archiving drive: Outstanding accuracy of burned data with professional archival grade drives

Technical Specifications:

Product features and specifications are subject to change without prior notice.

- Publishing speed (burn and print)
 - Burn & Print Speed CD - 15 Discs/h (fast mode) using Epson-recommended CD-R
 - Burn & Print Speed DVD - 8 Discs/h (fast mode) using Epson-recommended DVD-R
 - Burn & Print Speed Blu-ray - 3 Discs/h
- Publishing modes (number of copies)
 - External Output - 20 Discs
 - Capacity - 50 Discs
 - Batch Mode - 50 Discs
- Print specifications
 - Printing Speed - 65 Discs/h (fast mode), 50 Discs/h (quality mode)
 - Print Head - Micro Piezo
 - Print Direction - Bidirectional, Unidirectional
 - Printing Resolution - 1,440 DPI x 720 DPI (fast mode), 1,440 DPI (quality mode)
 - Nozzle Configuration - 180 Nozzles Black, 180 Nozzles per Color
- Ink Cartridge
 - Ink Type - Dye Ink
 - Colors - Cyan, Magenta, Yellow, Light Cyan, Light Magenta, Black
 - Number of Colours - 6
- Print Area
 - Standard Setting for Outside Diameter - 116 mm
 - Outside Diameter Setting Range - 119 mm - 70 mm

- Standard Setting for Inside Diameter - 45 mm
- Inside Diameter Setting Range - 50 mm - 18 mm
- Guaranteed Print Area - 45 mm - 116 mm

- CD/DVD/BD Drives

- Number of Drives - 1
- CD/DVD/BD Drives - 1
- Writing Speed - BD-R 6 x, DVD-R 12 x, CD-R 40 x
- Media Types - CD-R, DVD-R, DVD+R, DVD-R DL, DVD+R DL, BD-R, BD-R DL

- Supported Media

- Size Outside Diameter - 120 mm
- Size Inside Diameter - 15 mm

- General

- Product dimensions - 377? x 465 x 324 mm (Width x Depth x Height)
- Product weight - 21 kg
- Compatible Operating Systems - Windows 7, Windows 8 (32/64 bit), Windows Server 2003 (32/64bit), Windows Server 2008 (32/64bit), Windows Server 2012 (64bit), Windows Vista, Windows XP
- Included Software - Epson Total Disc Maker
- Sound Pressure - Operation: 45 dB (A)- Standby: 38 dB (A)
- Energy Use - 40 Watt (economy), 28 Watt (standby)
- What's in the box - Individual Ink Cartridges, Main unit, Setup guide, Software (CD), USB cable, User manual (CD), Warranty Documents

- IT Environment

- USB 2.0 Type B

- Other

- Warranty - 12 months On-site service
